01/2021 - Present   *90.49%*
9.49
- FE (9.73/10)   - SE (9.49/10)

12th Science and Tech
M. J. College

06/2019 - 02/2020   *63.85%*

PERSONAL PROJECTS

1. Build webpage that contains my professional information same as resume
- To utilize my learnings of HTML5, CSS3, I made the webpage so that my portfolio will be shown as well as my skills will be tested.

2. Made a Number guessing game
- To try out new libraries in c and explore them I created this game.

3. Build a Payment Form.
- To understand how do the payments section work, I created payment form page.

4. Build a site without coding a single line.
- To understand the problems of a start up, I tried creating a website without coding.(using only word press)
